How to Use *Daily Language Review*

This book is divided into 36 weekly sections.
Each weekly unit provides daily assessment activities.

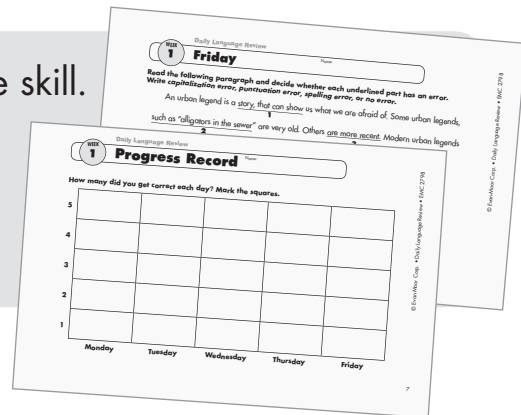

Monday through Thursday

- Students edit sentences and make corrections to punctuation, capitalization, and grammar.
- Students complete items that practice a variety of language and reading skills.

Friday

- Students focus on practicing a single skill.
- Students complete a daily progress record that tracks their work for the week.

Hints and Suggestions

Customize the daily review lessons to meet the needs of your class.

- Look ahead each week at the skills being practiced. If you encounter a new skill, complete the item as a class.
- Correct students' work together to model the correct responses.
- As skills are repeated throughout the year, monitor students' mastery.
