When a word ends with e, drop the final e before adding ed. Write words that tell about the past.

Drop the final e and add ed to each word.

chase - e + ed = chased

1  chase chased	2  move moved	3  close closed
4  like liked	5  hope hoped	6  joke joked
7  dance danced	8  score scored	9  trade traded

Add **ed** to the words below to make them tell about the past.
