## Think Critically

- 1 What do you think the child and the animals will do when they wake up?
- 2 Why do you think the animals are napping?
- 3 Which animal in the story do you like best? Why?

**School Activity** Have children find the word *nap* in the story and count the number of times they see it.

**School-Home Connection** After reading the story to you, ask your child to name words that rhyme with *hat*. Then have your child name words that rhyme with *nap*.
